The Citizen Action Request is a way for citizens to relay concerns to the City.

We encourage you to include your email and/or phone number in case we have questions about your communication.

WARNING: Please do not use this facility to report issues of an emergency nature or for conditions requiring an immediate response.

If your issue is an emergency, please call 911.

This notification system is monitored only during regular business work days/hours from 8:00 - 4:30 PM.

WATER OR SEWER EMERGENCIES: Please do not use this form, please call 235-5171, after hours and weekends call 234-2454
