In the event that less than all of the Bonds of a particular series or maturity are called for redemption as aforesaid, as necessary, the particular Bonds or portions of Bonds to be redeemed shall be selected not more than sixty (60) days or less than thirty (30) days prior to the redemption date by the Bond Registrar by such method as the Bond Registrar shall deem fair and appropriate; provided, that such lottery shall provide for the selection for redemption of Bonds or portions thereof so that any \$5,000 Bond or \$5,000 portion of a Bond shall be as likely to be called for redemption as any other such \$5,000 Bond or \$5,000 portion. The Bond Registrar shall

promptly notify the Issuer in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

Unless waived by the registered owner of Bonds to be redeemed, presentment for payment being conclusively such a waiver, notice of any such redemption shall be given by the Bond Registrar on behalf of the Issuer by mailing the redemption notice by first class mail not less than thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to each registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by each such registered owner to the Bond Registrar.

All notices of redemption shall include at least the information as follows: **(1)** the identification of the particular Bonds to be redeemed; **(2)** the redemption date; **(3)** the redemption price; **(4)** if less than all of the Bonds of a particular maturity are to be redeemed, the identification numbers and maturities (and, in the case of partial redemption of any Bond, the respective principal amounts) of the Bonds to be redeemed; **(5)** a statement that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after such date; and **(6)** the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal payment office of the Paying Agent.

On or prior to any redemption date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, together with accrued interest, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Neither the failure to mail such redemption notice nor any defect in any notice so mailed to any particular registered owner of a Bond shall affect the sufficiency of such notice with respect to any other registered owner. Notice having been properly given, failure of a registered owner of a Bond to receive such notice shall not be deemed to invalidate, limit or delay the effect of the notice or the redemption action described in the notice. Such notice may be waived in writing by a registered owner of a Bond, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice shall be filed with the Bond Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Upon surrender of such Bonds for redemption in accordance with such notice, such Bonds shall be paid from available funds therefor by the Paying Agent at the redemption price. Interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for the partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal.

If any Bond or portion of Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal, and premium, if any, shall, until paid, bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption. All Bonds which have been redeemed shall be marked cancelled by the Bond Registrar and shall not be reissued.

In addition to the foregoing notice set forth above, further notice shall be given by the Bond Registrar on behalf of the Issuer as set out below, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (a) the CUSIP numbers of all Bonds being redeemed; (b) the date of issue of the Bonds as originally issued; (c) the rate of interest borne by each Bond being redeemed; (d) the maturity date of each Bond being redeemed; and (e) any series or other descriptive information needed to identify accurately the Bonds being redeemed.

Each further notice of redemption shall be sent at least thirty (30) days before the redemption date to all registered securities depositories then holding any Bonds.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall identify the series and the Bond or Bonds, or portion thereof, being redeemed with the proceeds of such check or other transfer.

Section 4. Registration of Bonds and Book-Entry. The Bonds shall be negotiable, subject to the provisions for registration of transfer contained herein and related to book-entry only registration.

(a) **General** This subsection (a) is subject to the provisions of subsection (b) concerning book-entry only provisions. The Issuer shall cause books (the “**Bond Register**”) for the registration and for the transfer of the Bonds as provided in this ordinance to be kept at the principal payment office of the Bond Registrar, which is hereby constituted and appointed the Bond Registrar of the Issuer. The Issuer is authorized to prepare, and the Bond Registrar shall keep custody of, multiple Bond blanks executed by the Issuer for use in the issuance from time to time of the Bonds and in the transfer and exchange of Bonds.

Upon surrender for transfer of any Bond at the designated corporate trust office of the Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Bond Registrar and duly executed by the registered owner or such owners attorney duly authorized in writing, the Issuer shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of the same series and maturity of authorized denominations, for a like aggregate principal amount. Any fully registered Bond or Bonds may be exchanged at the office of the Bond Registrar for a like aggregate principal amount of Bond or Bonds of the same series and maturity of other authorized denominations. The execution by the Issuer of any fully registered Bond shall constitute full and due authorization of such Bond, and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period from the fifteenth (15th) day of the calendar month next preceding any interest payment date on such Bond and ending on such interest payment date, nor, as applicable, to transfer or exchange any Bond after notice calling such Bond for prepayment has been mailed, nor during a period of fifteen (15) days next preceding mailing of a notice of prepayment and redemption of any Bond.

The person in whose name any Bond shall be registered on the Bond Register shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of, premium (if any) or interest on any Bond shall be made only to or upon the order of the registered owner thereof or such registered owners legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the Issuer or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds exchanged in the case of the issuance of a Bond or Bonds for the outstanding portion of a Bond surrendered for redemption. In the event any registered owner fails to provide a correct taxpayer identification number to the Paying Agent, the Paying Agent may make a charge against such registered owner sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Section 3406 of the Code, such amount may be deducted by the Paying Agent from amounts otherwise payable to such registered owner hereunder or under the Bonds.

The Mayor or City Treasurer may, in his or her discretion at any time, designate a bank with trust powers or trust company, duly authorized to do business as a bond registrar, paying agent, or both, to act in one or both such capacities hereunder, in the event the Mayor or City Treasurer shall determine it to be advisable. Notice shall be given to the registered owners of any such designation in the same manner, as near as may be practicable, as for a notice of

redemption of Bonds, and as if the date of such successor taking up its duties were the redemption date.

(b) Book-Entry-Only Provisions. Unless otherwise provided in a Bond Order, as the case may be, the Bonds shall be issued in the form of a separate single fully registered Bond of each series for each of the maturities of the Bonds. Upon initial issuance, the ownership of each such Bond shall be registered in the Bond Register therefor in a street name (initially “**Cede & Co.**” for DTC) of the Depository, or any successor thereto, as nominee of the Depository. The outstanding Bonds from time to time may be registered by the Bond Register in a street name, as nominee of the Depository. The Issuer’s Mayor or City Treasurer is authorized to execute and deliver on behalf of the Issuer such letters to or agreements with the Depository as shall be necessary to effectuate such book-entry system (any such letter or agreement being referred to herein as the “**Representation Letter**”). Without limiting the generality of the authority given to the Mayor or City Treasurer with respect to entering into such Representation Letter, it may contain provisions relating to, among other things, **(a)** payment procedures, **(b)** transfers of the Bonds or of beneficial interest therein, **(c)** redemption notices and procedures unique to the Depository, **(d)** additional notices or communications, and **(e)** amendment from time to time to conform with changing customs and practices with respect to securities industry transfer and payment practices.

With respect to Bonds registered in the Bond Register in the name of a nominee of the Depository, the Issuer and the Bond Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a “**Depository Participant**”) or to any person on behalf of whom such a Depository Participant or an Indirect Participant holds an interest in the Bonds (an “**indirect participant**” or a “**beneficial owner**”). Without limiting the meaning of the foregoing, the Issuer and the Bond Registrar or Paying Agent shall have no responsibility or obligation with respect to **(a)** the accuracy of the records of the Depository, the nominee, or any Depository Participant, Indirect Participant or Beneficial Owner, with respect to any ownership interest in the Bonds, **(b)** the delivery to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any notice with respect to the Bonds, including any notice of redemption, or **(c)** the payment to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any amount with respect to principal of or interest on the Bonds.

As long as the Bonds are held in a book-entry-only system, no person other than the nominee of the Depository, or any successor thereto, as nominee for the Depository, shall receive a Bond certificate with respect to any Bonds. Upon delivery by the Depository to the Bond Registrar of written notice to the effect that the Depository has determined to substitute a new nominee in place of the prior nominee, and subject to the provisions hereof with respect to the payment of interest to the registered owners of Bonds as of the close of business on the

fifteenth (15th) day (whether or not a business day) of the month next preceding the applicable interest payment date, the reference herein to nominee in this ordinance shall refer to such new nominee of the Depository.

In the event that (a) the Issuer determines that the Depository is incapable of discharging its responsibilities described herein and in the Representation Letter, (b) the agreement among the Issuer, the Bond Registrar, the Paying Agent and the Depository evidenced by the Representation Letter shall be terminated for any reason or (c) the Issuer determines that it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the Issuer shall notify the Depository and the Depository Participants of the availability of Bond certificates, and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of a nominee of the Depository. At that time, the Issuer may determine that the Bonds shall be registered in the name of and deposited with a successor depository operating a book-entry system, as may be acceptable to the Issuer, or such depository's agent or designee, and if the Issuer does not select such alternate book-entry system, then the Bonds may be registered in whatever name or names registered owners of Bonds transferring or exchanging Bonds shall designate, in accordance with the provisions hereof. Notwithstanding any other provision of this ordinance to the contrary, so long as any Bond is registered in the name of a nominee of the Depository, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Representation Letter.

Section 5. Execution and Authentication. Each Bond shall be executed in the name of the Issuer by the manual or authorized facsimile signature of its Mayor and the corporate seal of the Issuer, or a facsimile thereof, shall be thereunto affixed, impressed or otherwise reproduced or placed thereon and attested by the manual or authorized facsimile signature of its City Clerk. Temporary Bonds, in lieu of or preliminary to the availability of Bonds in definitive form, shall be and are hereby authorized and approved. Typewritten Bonds are authorized in the event Section 4(b) applies.

In case any officer whose signature, or a facsimile of whose signature, shall appear on any Bond shall cease to hold such office before the issuance of such Bond, such Bond shall nevertheless be valid and sufficient for all purposes, the same as if the person whose signature, or a facsimile thereof, appears on such Bond had not ceased to hold such office. Any Bond may be signed, sealed or attested on behalf of the Issuer by any person who, on the date of such act, shall hold the proper office, notwithstanding that at the date of such Bond such person may not hold such office. No recourse shall be had for the payment of any Bonds against any member of the Corporate Authorities or any officer or employee of the Issuer (past, present or future) who executes the Bonds, or on any other basis.

Each Bond shall bear thereon a certificate of authentication executed manually by the Bond Registrar. No Bond shall be entitled to any right or benefit under this ordinance or

shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Bond Registrar. Such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this ordinance. The certificate of authentication on any Bond shall be deemed to have been executed by the Bond Registrar if signed by an authorized officer of or signer for the Bond Registrar, but it shall not be necessary that the same signer or officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 6. Transfer, Exchange and Registration. Each Bond shall be transferable only upon the registration books maintained by the Bond Registrar on behalf of the Issuer for that purpose at the designated office of the Bond Registrar, by the registered owner thereof in person or by such registered owners attorney duly authorized in writing upon surrender thereof together with a written instrument of transfer satisfactory to the Bond Registrar and duly executed by the registered owner or such registered owners duly authorized attorney. Upon the surrender for transfer of any such Bond, the Issuer shall execute and the Bond Registrar shall authenticate and deliver a new Bond or Bonds registered in the name of the transferee of the same aggregate principal amount, maturity and interest rate as the surrendered Bond. Bonds, upon surrender thereof at the principal office of the Bond Registrar, with a written instrument satisfactory to the Bond Registrar, duly executed by the registered owner or such registered owners attorney duly authorized in writing, may be exchanged for an equal aggregate principal amount of Bonds of the same maturity and interest rate and of the denomination of \$5,000 or any authorized integral multiple thereof, less previous retirements.

For every such exchange or registration of transfer of Bonds, the Issuer or the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. No other charge shall be made for the privilege of making such transfer or exchange. The provisions of the Illinois Bond Replacement Act shall govern the replacement of lost, destroyed or defaced Bonds.

The Issuer, the Paying Agent and the Bond Registrar may deem and treat the person in whose name any Bond shall be registered upon the registration books as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of, premium, if any, or interest thereon and for all other purposes whatsoever, and all such payments so made to any such registered owner or upon such registered owners order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer nor the Paying Agent or the Bond Registrar shall be affected by any notice to the contrary.

Section 7. Bond Registrar and Paying Agent. The Bond Registrar and Paying Agent with respect to this ordinance and the Bonds shall be designated in an applicable Bond Order. The Issuer covenants that it shall at all times retain a Bond Registrar and Paying Agent with respect to the Bonds and shall cause to be maintained at the office of such Bond Registrar a place where Bonds may be presented for registration of transfer or exchange, that it will maintain at the designated payment office of the Paying Agent a place where Bonds may be presented for payment, that it shall require that the Bond Registrar maintain proper registration books and that it shall require the Bond Registrar and Paying Agent to perform the other duties and obligations imposed upon each of them by this ordinance in a manner consistent with the standards, customs and practices concerning municipal securities. The Issuer may enter into appropriate agreements with any Bond Registrar and any Paying Agent in connection with the foregoing, including as follows:

- (a) to act as Bond Registrar, authenticating agent, Paying Agent and transfer agent as provided herein;
- (b) to maintain a list in the Bond Register of the registered owners of the Bonds as set forth herein and to furnish such list to the Issuer upon request, but otherwise to keep such list confidential;
- (c) to cancel and/or destroy Bonds which have been paid at maturity or submitted for exchange or transfer;
- (d) to give notices of redemption of Bonds to be redeemed;
- (e) to furnish the Issuer at least annually a certificate with respect to Bonds cancelled and/or destroyed; and
- (f) to furnish the Issuer at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds.

In any event, the Bond Registrar and Paying Agent shall comply with (a) - (f) above.

The Bond Registrar and Paying Agent shall signify their acceptances of the duties and obligations imposed upon them by this ordinance. The Bond Registrar by executing the certificate of authentication on any Bond shall be deemed to have certified to the Issuer that it has all requisite power to accept, and has accepted, such duties and obligations, including as Paying Agent, as the case may be, not only with respect to the Bond so authenticated but with respect to all of the Bonds. The Bond Registrar and Paying Agent are the agents of the Issuer for such purposes and shall not be liable in connection with the performance of their respective duties except for their own negligence or default. The Bond Registrar shall, however, be responsible for any representation in its certificate of authentication on the Bonds.

The Issuer may remove the Bond Registrar or Paying Agent at any time. In case at any time the Bond Registrar or Paying Agent shall resign (such resignation to not be effective

until a successor has accepted such role) or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Bond Registrar or Paying Agent, or of its property, shall be appointed, or if any public officer shall take charge or control of the Bond Registrar or Paying Agent or of their respective properties or affairs, the Issuer covenants and agrees that it will thereupon appoint a successor Bond Registrar or Paying Agent, as the case may be. The Issuer shall mail or cause to be mailed notice of any such appointment made by it to each registered owner of Bonds within twenty (20) days after such appointment. Any Bond Registrar or any Paying Agent appointed under the provisions of this Section 7 shall be a bank, trust company or other qualified professional with respect to such matters, authorized to exercise such functions in the State of Illinois.

The Issuer shall provide to the Bond Registrar and Paying Agent a copy of any amendment to this ordinance or in connection with the Bonds.

Section 8. Alternate Bonds; General Obligations. The Bonds are and constitute Alternate Bonds under the Local Government Debt Reform Act, anticipated to be paid from applicable Pledged Revenues. Bonds, regardless of the date or dates of their issuance, are on parity with each other and shall share equally and ratably as to payment in the Pledged Revenues applicable to the Bonds. Under and pursuant to Section 15 of the Local Government Debt Reform Act, the full faith and credit of the Issuer are hereby irrevocably pledged to the punctual payment of the principal of, premium, if any, and interest on the Bonds; the Bonds shall be direct and general obligations of the Issuer; and the Issuer shall be obligated to levy ad valorem taxes upon all the taxable property within the Issuer's corporate limits, for the payment when due the Bonds and the interest thereon, without limitation as to rate or amount (such ad valorem taxes being the "**Pledged Taxes**"), as authorized herein.

The applicable Pledged Revenues for Bonds are hereby determined by the Corporate Authorities to be sufficient to provide for or pay in each year to final maturity of the Bonds, as applicable, the following: (1) Operation and Maintenance Expenses of the enterprise, but not including depreciation, (2) the debt service on all Outstanding revenue bonds payable from applicable Pledged Revenues, (3) all amounts required to meet any fund or account requirements with respect to such Outstanding revenue bonds, (4) other contractual or tort liability obligations, if any, payable from applicable Pledged Revenues, and (5) in each year, an amount not less than 1.25 times debt service of all (i) Alternate Bonds payable from such Pledged Revenues previously issued and outstanding, and (ii) Alternate Bonds payable from such Pledged Revenues proposed to be issued, including the Bonds. The applicable Pledged Revenues shall be and are hereby determined by the Corporate Authorities to provide in each year an amount not less than 1.25 times debt service (as defined in Section 2 of the Local Government Debt Reform Act) of Alternate Bonds payable from such Pledged Revenues previously issued and outstanding and Alternate Bonds proposed to be issued. Such conditions enumerated need not be met for that amount of debt service (as defined in Section 2 of the Local Government Debt Reform Act) provided for by the setting aside of proceeds of bonds or other

moneys at the time of the delivery of such bonds. The Pledged Revenues (but only Gross Revenues for Operation and Maintenance Expenses) are hereby determined by the Corporate Authorities to provide in each year Operation and Maintenance Expenses, all amounts required to meet any fund or account requirements with respect to this ordinance, any other contractual or tort liability obligations, if any, payable from Pledged Revenues, and an amount not less than 1.25 times debt service (as defined in Section 2 of the Local Government Debt Reform Act) of all of the Outstanding Bonds, payable from Pledged Revenues.

The determination of the sufficiency of applicable Pledged Revenues is expected to be supported by reference to the most recent audit of the Issuer, which is for a Fiscal Year ending not earlier than 18 months previous to the time of issuance of the Alternate Bonds. If such Pledged Revenues are otherwise shown to be insufficient, the determination of sufficiency, if applicable law so requires (which is not presently required for refunding alternate bonds), and not otherwise, shall be supported by the “**report**” of an independent accountant or feasibility analyst, the latter having a national reputation for expertise in such matters, demonstrating the sufficiency of such revenues and explaining, if appropriate, by what means the Pledged Revenues will be greater than as shown in the audit. Whenever the sufficiency of Pledged Revenues is demonstrated by reference to higher rates or charges and fees for enterprise revenues (with respect to the System), such higher rates or charges and fees with respect to the use of the services of the System shall have been properly imposed by an ordinance adopted prior to the time of delivery of the Bonds. Although such technical compliance for refunding bonds is not required, the Issuer anticipates such compliance.

Section 9. Forms of Bonds. Unless Bonds in typewritten form are accepted or in any contract for the sale of the Bonds the purchaser or purchasers of the Bonds shall agree to accept typewritten or other temporary Bonds preliminary to the availability of, or in lieu of, Bonds in printed form prepared in compliance with the National Standard Specifications for Fully Registered Municipal Securities prepared by the American National Standards Institute, Bonds shall comply therewith, and in any event shall be in substantially the following forms [provided, however, that appropriate insertions, deletions and modifications in the form of the Bonds may be made, including as to the custom of printing Bonds in part on the front and back of certificates, a payment schedule and the issuance of a single Bond for each maturity, and to conform to applicable Bonds Orders; in an appropriate form approved by Bond counsel]:

In computing the fractional amount to be set aside each month in the Junior Bond and Interest Account, the fraction shall be so computed that a sufficient amount will be set aside in said Account and will be available for the prompt payment of such principal of and interest on all Outstanding Junior Bonds payable from such Account and , subject to an applicable Bond Order, shall be not less than 1/6 of the interest becoming due on the next succeeding interest payment date and not less than 1/12 of the principal becoming due or subject to mandatory redemption on the next succeeding principal payment or mandatory redemption date on all Outstanding Junior Bonds payable from such Account until there is sufficient money in such Account to pay such principal or interest, or both.

Upon issuance of the Bonds, accrued interest from the sale of the Bonds shall be deposited into such Account and used to pay first interest due on the Bonds.

All moneys in such Account shall be used only for the purpose of paying interest on and principal of such Outstanding Junior Bonds. Such moneys as are sufficient to make payments of principal of and interest on such Bonds when due, along with any fees then due, shall be transferred to the Paying Agent not less than five (5) days prior to the applicable principal or interest payment date.

(d) Junior Bond Reserve Account.

Amounts to the credit of such Depreciation Account shall be used as follows: **(i)** for the payment of the cost of extraordinary maintenance, necessary repairs and replacements, or contingencies, or for improvements, repairs or replacements as provided in such other ordinances, the payment for which no other funds are available; **(ii)** as budgeted from time to time, and provided the Corporate Authorities have determined that the amount otherwise on deposit to the credit of this Account is sufficient at such time for the purposes set forth in clause **(i)** immediately preceding, for the payment of the costs of constructing and acquiring applicable improvements and extensions; and **(iii)** for the payment of principal of or interest on any Outstanding bonds payable from Pledged Revenues at any time when there are no other funds available for that purpose in order to prevent a default and shall be transferred to the appropriate Bond and Interest Account for such purpose. Whenever an amount is withdrawn from such Account for the purpose stated in clause **(iii)** of this paragraph immediately above, the amount so transferred shall be added to the amount to be next and thereafter credited to this Account until full reimbursement to this Account has been made.

(f) General Account.

All moneys remaining in the Fund, after crediting the required amounts to the respective accounts hereinabove provided for, and after making up any deficiency in the accounts described in paragraphs (a) through (e), inclusive, shall be credited each month to the General Account. Funds in the General Account shall be used: **first**, to make up any subsequent deficiencies in any of the Accounts hereinabove named; and, **second**, at the discretion of the

Corporate Authorities shall be applied for one or more of the following purposes without any priority among them:

1. For the purpose of calling and redeeming Outstanding Bonds payable from Revenue Sharing Receipts;
2. For the purpose of purchasing Outstanding Bonds payable from such Revenue Sharing Receipts;
3. For the purpose of paying principal of and interest on any subordinate bonds or obligations; or

Such investments may be sold from time to time by the Treasurer of the Issuer as funds may be needed for the purpose for which such Accounts have been created. All interest on any funds so invested shall be credited to the applicable Account of the Fund and is hereby deemed and allocated as expended with the next expenditure or expenditures of money from the applicable Subaccount or Account of the applicable Fund. Moneys in any of such accounts shall be invested by the Issuer's Treasurer, if necessary, in investments restricted as to yield, which investments may be in U.S. Treasury Securities - State and Local Government Series, if available, and to such end the Issuer's Treasurer shall refer to any investment restrictions covenanted by the Issuer or any officer thereof as part of the transcript of proceedings for the issuance of the Bonds, and to appropriate opinions of counsel.

(IV) MISCELLANEOUS. Any amounts to the credit of the Accounts in excess of the then current requirements therefor may be transferred at any time by the Corporate Authorities to such other Account or Accounts of the same Fund as it may in its sole discretion lawfully designate.

(A) Bona Fide Debt Service Fund. Money preliminary to deposit in applicable subsections above for debt service and used to abate taxes under Section 13 below, which if deposited into the an applicable Debt Service Account would disqualify such Debt Service Account as a "**bona fide debt service fund**" ("**BFDSF**") shall be in qualified Investments, shall be held in a separate account designated the "**Pledged Account**" (the "**Pledged Account**") of

such Debt Service Account and the investment yield thereon yield restricted and subject to yield reduction payments. Funds in the Pledged Account shall be transferred to the applicable Debt Service Account at the time and in the manner that would not disqualify such Debt Service Account to the extent as a BFDSF.

(B) Yield Reduction Payments. Unless the Issuer shall have requested and received an approving written opinion of Bond Counsel to the contrary, moneys on deposit or credited to any Pledged Account shall be restricted as to yield to the yield on the Bonds, subject to “**yield reduction payments**”, as applicable, under Section 1.148-5(e) of the Income Tax Regulations, which the Issuer shall determine and, as applicable, pay in the same manner as arbitrage rebate.

Section 13. Bond Proceeds Account. Except for accrued interest received on the sale of the Bonds (and an amount of applicable Bond proceeds or other available funds to pay interest to and including certain initial interest payment dates as specified in an applicable Bond Order), which shall be deposited or credited to upon issuance of the Bonds into the applicable Debt Service Account, all remaining proceeds derived from the sale of the Bonds, and net of applicable issuance costs directly to be paid by the Underwriter, shall be deposited in each applicable “**Bond Proceeds Account**”, within which there further shall be, as applicable, a “**Proceeds Subaccount**” with respect to application of excess proceeds to project costs and issuance costs, and a “**Refunding Subaccount**” with respect to applicable Refunding costs not paid by a direct deposit into a Refunding Account or for a Refunding Deposit, which are hereby established as special accounts and subaccounts of the Issuer. Moneys in the applicable accounts or subaccounts of the Bond Proceeds Account shall be used for the purposes specified in Section 3 of this ordinance (that is, issuance costs and costs of a project (from excess proceeds) and Refunding with respect to which the Bonds are issued) and for the payment of costs of issuance of such Bonds, but may thereafter be reallocated and used for other lawful purposes in accordance with applicable law. Before any such reallocation shall be made, there shall be requested and filed with the Issuer’s City Clerk, an opinion of Evans, Froehlich, Beth & Chamley, Champaign, Illinois, or other nationally recognized Bond counsel (“**Bond Counsel**”) to the effect that such reallocation is authorized and will not adversely affect the tax-exempt status of the Bonds under Section 103 of the Internal Revenue Code of 1986, as amended. Moneys in each subaccount of the Bond Proceeds Account be withdrawn from time to time as needed for the payment of costs and expenses incurred by the Issuer in connection with the Refunding and other authorized costs and for paying the fees and expenses incidental thereto. Moneys shall be withdrawn from the depository in connection with such funds from time to time by the City Treasurer or other appropriate financial officer of the Issuer only upon submission to such officer of the following (provided that funds to refund Prior Obligations shall be directly applied without this process either from an applicable Refunding Subaccount or Deposit or Refunding Account under a Refunding Agreement):

A duplicate copy of the order signed by the Mayor or such other officer(s) as may from time to time be by law authorized to sign and countersign orders of the Issuer, the Bond Proceeds Account and the purpose for which the order is issued and indicating that the payment for which the order is issued has been approved by the Corporate Authorities.

Within sixty (60) days after completion of the Refunding or any project related costs, the Mayor shall certify to the Corporate Authorities the fact that a project and/or applicable Refunding has been completed, and after all costs have been paid, the Mayor shall execute a completion certificate and file it with the City Treasurer and in the records of the Issuer certifying that the related project has been completed and that all costs have been paid; and, if at that time any funds remain in the Bond Proceeds Account, the same shall be applied for other authorized improvements or work or such officer shall credit such funds to the applicable Debt Service Account, as the Corporate Authorities direct.

Section 14. Issuance of Additional Bonds. In connection with the Bonds, subject to any ordinance or obligation having a higher claim against Pledged Revenues, the Issuer reserves the right to issue:

(a) Parity Bonds payable from applicable Pledged Revenues, possibly subject to an Applicable Percentage Limit, provided that the applicable Pledged Revenues, as determined or as adjusted as hereinbelow set out shall be sufficient to provide for or pay all of the following (as applicable): (i) Operation and Maintenance expenses of the System (with respect to System Net Revenues, but not including depreciation, (ii) debt service on all Outstanding bonds payable from such Pledged Revenues computed immediately after the issuance of any proposed Parity Bonds, (iii) all amounts required to meet any fund or account requirements with respect to such Outstanding bonds, (iv) other contractual or tort liability obligations then due and payable, if any, and (e) an additional amount not less than 0.25 times debt service (as provided in Section 15 of the Local Government Debt Reform Act) on such of the Alternate Bonds as shall remain Outstanding bonds after the issuance of the proposed Parity Bonds. Such sufficiency shall be calculated for each year to the final maturity of such Alternate Bonds which shall remain Outstanding after the issuance of the proposed Parity Bonds. The determination of the sufficiency of the applicable Pledged Revenues, subject to applicable law, shall be supported by reference to the most recent audit of the Issuer, which audit shall be for a Fiscal Year ending not earlier than eighteen (18) months previous to the time of issuance of the proposed Parity Bonds. If such audit shows the applicable Pledged Revenues to be insufficient, then the determination of sufficiency, supported by a “**report**” under the Local Government Debt Reform Act, may be made in either of the following two ways:

1. The applicable source of Pledged Revenues may be adjusted, including in the event there has been an increase in the rates or revenues of the System, as the

case may be, from the revenues or the rates in effect for the Fiscal Year of such audit (if such rate increase is still in effect at the time of the issuance of such proposed Parity Bonds) or other applicable Pledged Revenues are increased, to show such Pledged Revenues as they would have been if such increased rates or receipts had been in effect during all of said Fiscal Year. Any such adjusted statement of Pledged Revenues shall be evidenced by the certificate of an independent consulting engineer, an independent certified public accountant or an independent financial consultant employed for such purpose, in accordance with applicable law.

2. The determination of sufficiency of such Pledged Revenues may be supported by the report of an independent accountant or feasibility analyst, the latter having a national reputation for expertise in such matters, and as may be the case, with no other involvement in any related project, demonstrating the sufficiency of the applicable Pledged Revenues and explaining by what means they will be greater than as shown in the audit and sufficient under the Local Government Debt Reform Act.

The reference to and acceptance of an audit, such an adjusted statement of the Pledged Revenues, or a report, as the case may be, and the determination of the Corporate Authorities of the sufficiency of the applicable Pledged Revenues shall be conclusive evidence that the conditions of this Section 14(a) have been met and that the Parity Bonds are properly issued hereunder; and no right to challenge such determination is granted to the registered owners of the Bonds.

(b) bonds or other obligations payable from applicable Pledged Revenues subordinate to the lien of any prior or superior bonds which remain Outstanding after the issuance of such bonds or other obligations.

Section 15. Arbitrage Rebate. The Issuer shall comply with the provisions of Section 148(f) of the Internal Revenue Code of 1986, as amended, relating to the rebate of certain investment earnings at periodic intervals to the United States of America to the extent that there shall have been requested and filed with the Issuer's City Clerk an opinion of Bond Counsel to the effect that such compliance is necessary to preserve the exclusion from gross income for federal income tax purposes of interest on any series of the Bonds under Section 103 of the Internal Revenue Code of 1986, as amended. There is hereby authorized to be created a separate and special accounts identified to the Bonds, to be known as the "**Rebate Account**", into which there shall be deposited as necessary investment earnings to the extent required so as to maintain the tax-exempt status of the interest on the Bonds under Section 148(f) of the Internal Revenue Code of 1986, as amended. All rebates, special impositions or taxes or yield reduction payments for such purpose payable to the United States of America (Internal Revenue Service)

shall be payable from applicable excess earnings or other sources which are to be deposited into the Rebate Account.

Section 16. Investment Regulations. All investments shall be in Qualified Investments, unless otherwise expressly herein provided. No investment shall be made of any moneys in the applicable Debt Service Account, related to the Bonds, or the Bond Proceeds Account related to the Bonds, except in accordance with the tax covenants and other covenants set forth in Section 17 of this ordinance. All income derived from such investments in respect of moneys or securities in any fund or account shall be credited in each case to the fund or account in which such moneys or securities are held.

Any moneys in any fund or account that are subject to investment yield restrictions may be invested in United States Treasury Securities, State and Local Government Series, pursuant to the regulations of the United States Treasury Department, Bureau of Public Debt. The City Treasurer or other appropriate financial officer of the Issuer and agents designated by such officers are hereby authorized to submit on behalf of the Issuer subscriptions for such United States Treasury Securities and to request redemption of such United States Treasury Securities.

Section 17. Non-Arbitrage and Tax-Exemption. One purpose of this Section is to set forth various facts regarding the Bonds and to establish the expectations of the Corporate Authorities and the Issuer as to future events regarding the Bonds and the use of Bond proceeds. The certifications and representations made herein and at the time of the issuance of the Bonds are intended, and may be relied upon, as certifications and expectations described in Section 1.148-1 *et seq.* of the Income Tax Regulations dealing with arbitrage and rebate (the “**Regulations**”). The covenants and agreements contained herein and at the time of the issuance of the Bonds are made for the benefit of the registered owners from time to time of the Bonds. The Corporate Authorities and the Issuer agree, certify, covenant and represent as follows:

(a) The Bonds are being issued to pay costs of refinancing the Prior Projects by refunding Prior Obligations and related costs and expenses, and all of the amounts received upon the sale of the Bonds, plus all investment earnings thereon (the “**Proceeds**”) are needed for the purposes for which the Bonds are being issued. The Prior Obligations will be retired as provided in a Refunding Agreement or as provided with respect to one or more Refunding Deposit.

(b) The Issuer has entered into, or did within six months from the date of issue of the Prior Obligations enter into, and with respect to the projects will enter into, binding contracts or commitments obligating it to spend at least 5% of the proceeds of the applicable Prior Obligations for constructing, acquiring and installing the related Prior Projects. The work of acquiring, constructing and installing the Prior Projects timely commenced and continued to proceed with due diligence to completion within 3 years of

issuance, at which time all of the Prior Obligations Proceeds were spent and all of the Bond Proceeds are expected to be spent. There are no unspent Prior Obligation proceeds.

(c) The Issuer has on hand no funds which could legally and practically be used for refunding Prior Obligations and refinancing the related Prior Projects, which are not pledged, budgeted, earmarked or otherwise necessary to be used for other purposes. Accordingly, no portion of the Proceeds of the Bonds will be used (i) directly or indirectly to replace funds of the Issuer or any agency, department or division thereof that could be used for refunding Prior Obligations, or (ii) to replace any proceeds of the Bonds or any prior issuance of obligations by the Issuer. No portion of the Bonds is being issued solely for the purpose of investing Proceeds at a Yield higher than the Yield on any issue of Bonds. For purposes of this Section, “**Yield**” means that yield (that is, the discount rate) which when used in computing the present worth of all payments of principal and interest to be paid on an obligation (using semi-annual compounding on the basis of a 360-day year) produces an amount equal to the purchase price of the Bonds, including accrued interest, and the purchase price of the Bonds is generally equal to the first offering price at which more than 10% of the principal amount of each maturity of a particular series of the Bonds is sold to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers).

(d) All principal proceeds of the Bonds, net of accrued interest and issuance costs directly paid by an applicable fiscal agent, will be deposited in the Bond Proceeds Account (or applied as Refunding Deposit with the paying agent for the applicable Prior Obligations or funding a Refunding Account under a Refunding Agreement) and used to pay related costs and Refunding Prior Obligations and costs of issuance of the Bonds, and any accrued interest and premium received on the delivery of the Bonds will be deposited in the applicable subaccounts of the applicable Debt Service Account and used to pay initial interest on the Bonds. Earnings on the investment of moneys in any fund or account or subaccount will be credited to that fund or account. Other refunding costs, including issuance costs of the Bonds, will be paid directly from other proceeds or from the Bond Proceeds Account, and no other moneys are expected to be deposited therein. This ordinance provides that moneys in the Depreciation Account to an extent related to the Applicable Percentage Limit may be applied to pay debt service on Bonds in the event there shall be an insufficiency therefor. However, due to the expected application of such moneys to pay costs of replacement, repair and extraordinary maintenance of the System, it is unlikely such moneys will be available for such purpose. Interest on and principal of Bonds will be paid from the applicable Debt Service Account. Except as provided in a Refunding Agreement, no Proceeds will be used more than ninety (90) days after the date of issue of the Bonds for the purpose of paying any principal or interest on any other issue of bonds, notes, certificates or warrants or on any installment contract or

other obligation of the Issuer or for the purpose of replacing any funds of the Issuer used for such purpose.

(e) The applicable Debt Service Account (except the related Pledged Subaccount) is established to achieve a proper matching of revenues and earnings with debt service in each year for the Bonds. Other than any amounts held to pay principal of matured Bonds that have not been presented for payment, it is expected that any moneys deposited in the applicable Debt Service Account (except the related Pledged Subaccount) will be spent within the 12-month period beginning on the date of deposit therein. Any earnings from the investment of amounts in the applicable Debt Service Account (except the related Pledged Subaccount) will be spent within a one-year period beginning on the date of receipt of such investment earnings. Other than any amounts held to pay principal of matured Bonds that have not been presented for payment, it is expected that the applicable Debt Service Account (except the related Pledged Subaccount) will be depleted at least once a year, except for a reasonable carryover amount not to exceed the greater of (i) one-year's earnings on the investment of moneys in each Debt Service Account (except the related Pledged Subaccount), or (ii) in the aggregate one-twelfth (1/12th) of the annual debt service on the Bonds.

(f) Other than the applicable Debt Service Account, no funds or accounts, including any Depreciation Account, have been or are expected to be established, and no moneys or property have been or are expected to be pledged (no matter where held or the source thereof) which will be available to pay, directly or indirectly, the Bonds or restricted so as to give reasonable assurance of their availability for such purposes. No property of any kind is pledged to secure, or is available to pay, obligations of the Issuer to any credit enhancer or liquidity provider.

(g) (i) All amounts on deposit in the Bond Proceeds Account or in the applicable Debt Service Account and all Proceeds, no matter in what funds or accounts deposited (“**Gross Proceeds**”), to the extent not exempted in (ii) below, and all amounts in any fund or account or subaccount pledged directly or indirectly to the payment of the related series of Bonds which will be available to pay, directly or indirectly, the related series of Bonds or restricted so as to give reasonable assurance of their availability for such purpose contrary to the expectations set forth in (f) above, shall be invested at market prices and at a Yield not in excess of the Yield on such Bonds plus, for amounts in the applicable Bond Proceeds Account to be applied to finance an applicable project with excess proceeds, 1/8 of 1%.

(ii) The following may be invested without Yield restriction:

(A) amounts invested in obligations described in Section 103(a) of the Internal Revenue Code of 1986, as amended (but not specified

private activity bonds as defined in Section 57(a)(5)(C) of the Code), the interest on which is not includable in the gross income of any registered owner thereof for federal income tax purposes (“**Tax-Exempt Obligations**”);

(B) amounts deposited in the applicable Debt Service Account (except the related Pledged Subaccount) that are reasonably expected to be expended within thirteen (13) months from the deposit date and have not been on deposit therein for more than thirteen (13) months;

(C) amounts, if any, in the Bond Proceeds Account constituting excess proceeds to be applied to a project to the earlier of completion (or abandonment) of such improvements or three (3) years from the date of issue of the particular series of related Bonds for each such project;

(D) an amount not to exceed the lesser of \$100,000 or 5% of a particular series of Bond proceeds;

(E) all amounts for the first thirty (30) days after they become Gross Proceeds (e.g., date of deposit in any fund or account securing a particular series of Bonds);

(F) all amounts (other than with respect to refundings) derived from the investment of the Proceeds for a period of one (1) year from the date received; and

(G) all amounts for a project for up to a 3-year temporary period.

(h) Subject to (q) below, once moneys are subject to the Yield limits of (g)(i) above, such moneys remain Yield restricted until they cease to be Gross Proceeds.

(i) Pursuant to Section 148(f)(4)(D) of the Internal Revenue Code of 1986, as amended, the Issuer is excepted from the required rebate of arbitrage profits on the Bonds. The Issuer is a governmental unit with general taxing powers, none of the Bonds is a “**private activity bond**” as defined in Section 141(a) of the Internal Revenue Code of 1986, as amended, and all the net proceeds of the Bonds are to be used for the local government activities of the Issuer (i.e., Refunding Prior Bonds), the aggregate face amount of all tax-exempt obligations (and excluding “**private activity bonds**” as defined in Internal Revenue Code of 1986, as amended) to be issued by the Issuer and all subordinate entities thereof (of which there are none) during the calendar year of issuance of the Bonds, including the Bonds, is reasonably expected to exceed \$5,000,000 to be taken into account under such Section 148(f)(4)(D). In any event, the Issuer reserves the

right to use any applicable exception from such arbitrage rebate, including the 6-month expenditure and 2-year construction spend down exception under Section 148(f)(4)(C) of the Internal Revenue Code of 1986, as amended, or the 18-month expenditure exception under Section 1.148-7(d) of the Regulations, and the Mayor is authorized to select and document any such exception.

(j) None of the Proceeds will be used, directly or indirectly, to replace funds which were used in any business carried on by any person other than a state or local governmental unit.

(k) The payment of the principal of or the interest on any series of the Bonds will not be, directly or indirectly: **(A)** secured by any interest in **(i)** property used or to be used for a private business use by any person other than a state or local governmental unit, or **(ii)** payments in respect of such property, or **(B)** derived from payments (whether or not by or to the Issuer), in respect of property, or borrowed money, used or to be used for a private business use by any person other than a state or local governmental unit.

(l) None of the Proceeds will be used, directly or indirectly, to make or finance loans to persons other than a state or local governmental unit.

(m) No user of any Prior Project, other than a state or local government unit, will use such Prior Project on any basis other than the same basis as the general public, and no person other than a state or local governmental unit will be a user of such Prior Projects as a result of **(i)** ownership, or **(ii)** actual or beneficial use pursuant to a lease or a management or incentive payment contract, or **(iii)** any other similar arrangement.

(n) Beginning on the 15th day prior to the sale date of Bonds, the Issuer has not sold or delivered, and will not sell or deliver, (nor will it deliver within 15 days after the date of issuance of such Bonds) any other obligations pursuant to a common plan of financing, which will be paid out of substantially the same source of funds (or which will have substantially the same claim to be paid out of substantially the same source of funds) as the particular series of Bonds or will be paid directly or indirectly from Proceeds.

(o) No portion of any Prior Project is expected to be sold or otherwise disposed of prior to the last maturity of the Bonds.

(p) The Issuer has not been notified of any disqualification or proposed disqualification of it by the Internal Revenue Service as a bond issuer which may certify bond issues under Section 1.148-0 *et seq.* of the Regulations.

(q) The Yield restrictions contained in (g) above or any other restriction or covenant contained herein need not be observed and may be changed if the Issuer

receives an opinion of Bond Counsel to the effect that such non-observance or change will not adversely affect the tax-exempt status of interest on any series of Bonds to which such Bonds otherwise are entitled.

(r) The Issuer acknowledges that any changes in facts or expectations from those set forth herein may result in different Yield restrictions or rebate requirements from those set forth herein and that Bond Counsel should be contacted if such changes do occur.

(s) The Corporate Authorities have no reason to believe the facts, estimates, circumstances and expectations set forth herein are untrue or incomplete in any material respect. On the basis of such facts, estimates, circumstances and expectations, it is not expected that the Proceeds or any other moneys or property will be used in a manner that will cause the Bonds to be private activity bonds, arbitrage bonds or hedge bonds within the meaning of Sections 141, 148 or 149(g) of the Internal Revenue Code of 1986, as amended, and of applicable regulations. To the best of the knowledge and belief of the Corporate Authorities, such expectations are reasonable, and there are no other facts, estimates and circumstances that would materially change such expectations.

The Issuer also agrees and covenants with the owners of Bonds from time to time outstanding that, to the extent possible under Illinois law, it will comply with all present federal tax law and related regulations and with whatever federal tax law is adopted and regulations promulgated in the future which apply to such Bonds and affect the tax-exempt status of such Bonds.

Section 18. Further Assurances and Actions. The Corporate Authorities hereby authorize the officials of the Issuer responsible for issuing the Bonds, the same being the Issuer's Mayor, City Clerk, City Administrator and City Treasurer, to make such further filings, covenants, certifications and supplemental agreements (including but not limited to a Purchase Agreement, Disclosure Agreement, Refunding Agreement and Arbitrage Regulation Agreement) as may be necessary to assure that any new project, the Prior Projects, the Bonds, and related proceeds, will not cause any of the Bonds to be private activity bonds, arbitrage bonds or hedge bonds and to assure that the interest on the Bonds will be excluded from gross income for federal income tax purposes and that there will be compliance by the Underwriter with Rule 15c2-12. In connection therewith, the Issuer and the Corporate Authorities further agree: **(a)** through the officers of the Issuer, to make such further specific covenants, representations as shall be true, correct and complete, and assurances as may be necessary or advisable; **(b)** to consult with Bond Counsel approving the Bonds and to comply with such advice as may be given; **(c)** to pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Bonds; **(d)** to file such forms, statements, and supporting documents as may be required and in a timely manner; and **(e)** if deemed necessary or advisable, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the Issuer in such compliance. The call (and other arrangements) to retire the Prior Obligations is

hereby authorized and approved or ratified if already given and abatement of related prior pledged taxes and/or levied taxes is authorized upon the Refundings.

Section 19. General Covenants. The Issuer covenants and agrees with the owners of the Outstanding Bonds, so long as there are any Outstanding Bonds (as defined herein) of the applicable series, as follows:

(a) The Issuer will take all action necessary to impose, levy and collect the applicable Pledged Revenues and the Pledged Taxes at the times, in the manner and with the effect contemplated by this ordinance, and such Pledged Revenues (subject to the Applicable Percentage Limit) shall not be less than as shall be required under Section 15 of the Local Government Debt Reform Act to maintain the Bonds as Alternate Bonds according to their terms.

(b) In connection with Alternate Bonds, the Issuer covenants that it will, while any of the Bonds shall remain outstanding, charge rates and fees (including for usage of the System in connection with Net Revenues) which, together with any other Pledged Revenues applicable to the Bonds, are sufficient to provide for or pay each of the following in any given year: **(1)** Operation and Maintenance Expenses of the System (but not including depreciation); **(2)** debt service on all Outstanding revenue bonds payable from the applicable Pledged Revenues; **(3)** all amounts required to meet any fund or account requirements with respect to the Bonds, remaining Prior Obligations, as applicable, or any other obligations payable from applicable Pledged Revenues; **(4)** any other contractual or tort liability obligations, if any, payable from applicable Pledged Revenues; and **(5)** in each year, an amount not less than 1.25 times the debt service for all **(i)** Alternate Bonds payable from applicable Pledged Revenues, and the Bonds Outstanding; and **(ii)** Alternate Bonds proposed to be issued and payable from the applicable Pledged Revenues.

(c) Whenever the 125% coverage in subsection (b) above is not effected or any Alternate Bonds under this ordinance at any time fail to qualify as Alternate Bonds not subject to any applicable debt limit under Section 15 of the Local Government Debt Reform Act Pledged Taxes are extended and collected as in Section 10 hereof, the Issuer covenants to promptly have prepared a financial analysis of, as applicable, Net Revenues of the System or other applicable Pledged Revenues by an independent consulting accountant or other qualified professional employed for that purpose, and further, to send a copy of such analysis, when completed, to the Underwriter of the Bonds along with a letter indicating what action the Issuer has taken responsive to such study and to comply with Section 15 of the Local Government Debt Reform Act.

(d) The Issuer will make and keep proper books and accounts (separate and apart from all other records and accounts of the Issuer), in which complete entries shall

be made of all transactions relating to the Pledged Taxes, the Pledged Revenues and the operation of the System, and hereby covenants that within 120 days following the close of each Fiscal Year, it will cause the books and accounts related to the Pledged Revenues and the System and the Pledged Taxes, to be audited by independent certified public accountants. Such audit will be available for inspection by owners of any of the Bonds. Supplemental to any Disclosure Agreement, upon availability, the Issuer upon request will send to the Underwriter a copy of such audit and of its general audit in each year. Each such audit, in addition to whatever matters may be thought proper by the accountants to be included therein, shall, without limiting the generality of the foregoing, include the following:

(i) A balance sheet as of the end of such Fiscal Year, including a statement of the amount held in each of the funds and accounts under this ordinance.

(ii) A list of all insurance policies in force at the end of the Fiscal Year, setting out as to each policy the amount of the policy, the risks covered, the name of the insurer, and the expiration date of the policy.

(iii) The amount and details of all Outstanding bonds.

(iv) The accountants comments regarding the manner in which the Issuer has carried out the accounting requirements of this ordinance (including as to the Alternate Bond, the status of the Bonds), including the Applicable Percentage Limit, and has complied with Section 15 of the Local Government Debt Reform Act, and the accountants recommendations for any changes.

It is further covenanted and agreed that a copy of each such audit upon request shall be furnished upon completion to the Underwriter.

(e) The Issuer will keep its books and accounts in accordance with generally accepted fund reporting practices for local government entities and enterprise funds; provided, however, that the monthly credits to the applicable Debt Service Account shall be in cash, and such funds shall be held separate and apart in cash and investments. For the purpose of determining whether sufficient cash and investments are on deposit in such accounts under the terms and requirements of this ordinance, investments shall be valued at the lower of the cost or market price on the valuation date thereof, which valuation date shall be not less frequently than annually.

(f) The Issuer will take no action in relation to the Pledged Revenues or the Pledged Taxes which would unfavorably affect the security of any of the Outstanding Bonds or the prompt payment of the principal and interest thereon or qualification of any Bonds as Alternate Bonds.

(g) The owner of any Bond may proceed by civil action to compel performance of all duties required by law and this ordinance.

(h) The Issuer will adopt a budget and/or approve appropriations for the System and its general fund prior to the beginning of each Fiscal Year (or in the next quarter if applicable law permits), subject to all applicable laws, providing for payment of all sums to be due in the Fiscal Year or Bond Year so as to comply with the terms of this ordinance. The budget may include in its estimate of income the use of available surplus moneys or other funds of the Issuer appropriated for such purposes. If during the Fiscal Year there are extraordinary receipts or payments of unusual cost, the Issuer will adopt an amended budget for the remainder of the Fiscal Year, providing for receipts or payments pursuant to this ordinance.

(i) The Issuer will comply with the special covenants concerning Alternate Bonds as required by Section 15 of the Local Government Debt Reform Act and this ordinance.

(j) The Issuer will not sell, lease, loan, mortgage or in any manner dispose of or encumber the System or the Prior Projects (subject to the right of the Issuer to issue additional bonds (i.e. including Parity Bonds) as provided in this ordinance, to issue obligations subordinate to the applicable Outstanding Bonds, and to dispose of real or personal property which is no longer useful or necessary to the operation of the System or to the function of the Prior Projects), and the Issuer will take no action in relation to the System, any project or the Prior Projects which would unfavorably affect the security of any of applicable Outstanding Bonds or the prompt payment of the principal and interest thereon.

(k) The Issuer will pay, or cause to be paid, as the same become due, all taxes and governmental charges of any kind whatsoever that may at any time be lawfully assessed, imposed or levied against the System or the Issuer or to the Prior Projects.

(l) The Issuer will carry insurance on the System and on the Prior Projects of the kinds and in the amounts which are usually carried by private parties operating similar properties, covering such risks as shall be recommended by a competent consulting engineer or insurance consultant employed by the Issuer for the purpose of making such recommendations. All moneys received for loss under such insurance policies shall be deposited in a segregated insurance account and used in making good the loss or damage in respect of which they were paid, either by repairing the property damaged or making replacement of the property destroyed, and provision for making good such loss or damage shall be made within ninety (90) days from the date of the loss. The payment of premiums for all insurance policies required under the provisions of this covenant in connection with the facilities related to the System shall be considered an

Operation and Maintenance Expense for the System. The proceeds derived from any and all policies for workers compensation or public liability shall be paid into a segregated account and used in paying the claims on account of which they were received.

(m) After their issuance, to the extent lawful the Bonds shall be incontestable by the Issuer.

Section 20. Ordinance to Constitute a Contract. The provisions of this ordinance shall constitute a contract between the Issuer and the owners of the Bonds. Any pledge made in this ordinance and the provisions, covenants and agreements herein set forth to be performed by or on behalf of the Issuer shall be for the equal benefit, protection and security of the registered owners of any and all of the Bonds. All of the Alternate Bonds issued under this ordinance, regardless of the time or times of their issuance, shall be of equal rank in the related Pledged Revenues without preference, priority or distinction of any of such Bonds over any other thereof, except as expressly provided in or pursuant to this ordinance. This ordinance, as supplemented and amended, shall constitute full authority for the issuance of the Bonds, and to the extent that the provisions thereof conflict with the provisions of any other ordinance or resolution of the Issuer, the provisions of this ordinance shall control.

Section 21. Severability and No Contest. If any section, paragraph or provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this ordinance or any ordinance supplemental hereto. Upon the issuance of the Bonds, neither the Bonds nor this ordinance shall be subject to contest by or in respect of the Issuer, to the extent lawful.

Section 22. Bank Qualified Bonds. Pursuant to Section 265(b)(3) of the Internal Revenue Code of 1986, as amended, the Issuer as applicable at the time of sale and delivery of Bonds shall designate in an applicable Bond Order such Bonds as “**qualified tax-exempt obligations**” as defined in Section 265(b)(3) of the Internal Revenue Code of 1986, as amended. The Issuer by any such designation represents that the reasonably anticipated amount of tax-exempt obligations that will be issued by the Issuer and all subordinate entities (of which there are none) of the Issuer during the calendar year in which the Bonds are issued will not exceed \$10,000,000 within the meaning of or to be taken into account under Section 265(b)(3) of the Internal Revenue Code of 1986, as amended. The Issuer by any such designation covenants that in that connection it will not so designate and issue more than \$10,000,000 aggregate principal amount of tax-exempt obligations in such calendar year. For purposes of this Section, the term “**tax-exempt obligations**” includes “**qualified 501(c)(3) Bonds**” (as defined in the Section 145 of the Internal Revenue Code of 1986, as amended) but does not include other “**private activity bonds**” (as defined in Section 141 of the Internal Revenue Code of 1986, as amended). The Issuer anticipates designating the Bonds as “**qualified tax-exempt obligations,**” but reserves the right in a Bond Order to redesignate such Bonds.

Section 23. Conflict. All ordinances, resolutions or parts thereof in conflict herewith be and the same are hereby superseded to the extent of such conflict and this ordinance shall be in full force and effect forthwith upon its adoption. This ordinance has remained continuously on file with the City Clerk for public inspection, in the form in which it finally passed, for at least one week before the final passage thereof.

Section 24. Effective Date. This ordinance shall become effective immediately upon its adoption and approval in the manner provided by law, and upon its becoming effective and upon or prior to the issuance of any Bonds a certified copy of this ordinance, together with a related Bond Order setting Pledged Taxes, shall be filed with the County Clerk of Coles County, Illinois.

Explanations

COLES COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

How Event Promotes Tourism in Mattoon

How does your event promote tourism, conventions, and other events within the city?

Our 27 team tournament is played exclusively in Mattoon, showcases some of the best fields in the area

which will attract players/teams/family/friends from MO, IN, & IL to Mattoon IL for a week long visit

how does your event attract non-residents?

with the 25 teams coming in...all of the teams are at least 30 miles from Mattoon, so they are either here for the day or will utilize our hotels for the week/weekend. Due to the longevity of this event many surrounding areas are aware of the event and come to enjoy a daily/nightly dose of baseball

If your application were accepted, how would the tourism funds granted be used?

we plan to use the funds in many ways. One to put back into the program for future needs such as

equipment/supplies. The other is to use towards larger tournaments in Mattoon & future away

tournament fees to give our players a better chance to be seen by college scouts

How Event Promotes Tourism in Mattoon

How does your event promote tourism, conventions, and other events within the city?

Mattoon Babe Ruth Baseball has a long history of hosting very successful tournaments and bringing family, friends and baseball fans into Mattoon to visit our city and enjoy outstanding baseball from youth teams across the state.

How does your event attract non-residents?

Ten to fifteen teams from IL will converge upon Mattoon July 10th and will remain for a minimum of two nights and a maximum of up to 4 nights in our hotels. Each of these teams have advanced to Mattoon by winning through their tournament trail and will be competing for a spot in the Cal Ripken 12 year old Ohio Valley at Southeastern Lexington KY or Babe Ruth 15 year old Ohio Valley at Marinette, WI. The teams will consist of rosters of 12-15 players and coaches each along with their families, grandparents, friends and community members who will travel to Mattoon to support these athletes.

As of the date of this application we have blocked 100 rooms in Mattoon hotels for stays ranging from two to four nights.

If your application were accepted, how would the tourism funds granted be used?

Mattoon Babe Ruth Baseball is a non-profit organization which strives to promote opportunities for our youth to develop into strong citizens through the great game of baseball. If not for major tournaments such as these State Tournaments we would operate at a loss each year as we strive to keep costs very minimal for families participating in our local leagues. We have a long track record of investing back into the community and facilities through capital projects which in turn lead to more tournaments and more visitors to our community in the future. We are finding that as the economy has tightened in the past few years that

families have to choose which tournaments and events they participate in and have become more selective in which ones they invest their time and resources in. Communities are investing in their tournaments and facilities and the bidding process for these tournaments is continually becoming more competitive. We want to continue to be the destination of choice for families and organizations hosting their tournaments and live up to Mattoon's reputation as a first rate host of athletic tournaments. This grant would help to offset the costs of operating tournaments. This year we were awarded the 12 yr old IL State Tournament to be held at Lawson Park and the 15 yr old IL State Tournament to be held at Peterson Park July 10-July 13, 2014.

How Event Promotes Tourism in Mattoon

How does your event promote tourism, conventions, and other events within the city?

Coupled with Mattoon's Annual Bagelfest, the Run for the Bagel attracts runners from more than 9 states and 93 cities across the State of Illinois. In the last 3 years, the race has seen significant growth. In 2012 we had 686 runners and we surpassed that with 850 registered runners in 2013! The participants and their families have an opportunity to stay overnight in Mattoon, shop and eat in our community and take in the sights and sounds of Bagelfest.

How does your event attract non-residents?

A well established run for over 26 years, the Run for the Bagel is promoted to running clubs, park districts, other YMCA's in the state of Illinois, and through national online running sites. Registration is made available on-line at mattoonmultisport.com which can be accessed by anyone across the country and is a website directed towards runners and tri-athletes. Race fliers are mailed and emailed directly to past participants for the last 3 years, and distributed to races across the state, including the Illinois Marathon, Half-Marathon, and 5k. Advertisements are placed in 3 newspapers in our region as well as broadcast through the local radio stations, Cromwell Radio Group, and WEIU Radio.

If your application were accepted, how would the tourism funds granted be used?

Tourism funds will be used to continue to offer a high quality event, specifically to create and distribute race fliers to past runners, running clubs, park districts, other YMCA's, and distributed at other local races. Website and phone contact information for Mattoon Tourism is included on the race flier and encourages participants to contact Mattoon Tourism for Bagelfest schedule of events and area information. Funds will also cover ad markets outside the Coles County area. In addition, funds will be used to purchase plaques and trophies, t-shirts, printing brochures, paying for timing services among other related costs for the race. It is our intention to purchase through local vendors whenever possible.
