

## City of Mattoon Tree Replacement Program

Planting trees today for a greener tomorrow.

Thanks to the generous support of the **Lumpkin Family Foundation**, the City of Mattoon is once again offering residents the chance to **replace or add trees on their property at no cost**.

### How to Get Your Tree

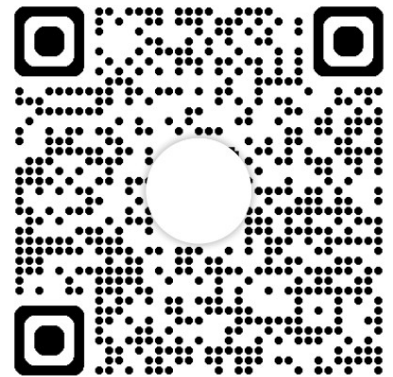

1. Apply online through the City's website using the iWorQ system (preferred). Enter your name, contact information, address, and tree choice. Scan the QR Code to get started!
2. If you cannot apply online, call 217-235-5460 and leave the same information.
3. City staff will confirm your location, request a J.U.L.I.E. utility locate, and coordinate with Bloomfield Garden Center.
4. Bloomfield Garden Center will plant your tree this fall.

Orders are first-come, first-served; apply early to reserve your tree!

### Trees Available:

Autumn Blaze Maple  
Black Gum  
Red Oak  
White Oak  
Redbud  
Honey Locust
